

AC'TIV

NEUTRAL PH CLEANER

AC'TIV is non-abrasive, fast, safe and efficient under all conditions. High detergency and soil suspension combine to handle cleaning in institutions, industry, and homes.

AC'TIV is a combination of detergents, builders, and chelating agents formulated to provide an efficient means of cleaning floors, walls, furniture, and other hard surfaces with a minimum of time and labor.

AC'TIV penetrates oil, grease and dirt, and lifts it off easily, quickly and thoroughly. Leaves surfaces clean, bright and sanitary with no spots, no streaks or scum. The free-rinsing detergents leave a floor film-free without rinsing – ready to be buffed when the floor is dry. In use dilution it will not harm the floor finish.

AC'TIV contains no free alkali and no abrasives to damage any surface. Will not harm colors or finishes.

AC'TIV is in use in industrial plants, institutions, hotels, office buildings, theaters, garages, apartment houses, supermarkets, etc.

AC'TIV can be used on Vinyl Tile, Wood Floors, Cement Floors, Marble, Terrazzo, Plastics, Lockers, Appliances, Cabinets, Formica and Painted or Varnished walls and woodwork.

Dilute 1 oz. per gallon of water for general floor maintenance

TECHNICAL DATA

Physical State	Liquid
Viscosity	Medium
Storage stability	Indefinite
Weight per gallon	8.7 lbs.
Flash Point	None
PH - Concentrate	9.3
