

## CITRA POWER

*INDUSTRIAL CLEANER & DEGREASER*

Citra Power is formulated to remove grease and grime from most surfaces. This product is ideal for most general cleaning jobs.

Citra Power may be used on stainless steel, aluminum, chrome, porcelain, glass, formica, fiberglass, etc.

Removes brown oxide film from aluminum and chrome. Removes smoke stains and grease from kitchen appliances. Leaves surface with a fresh clean citrus aroma.

Citra Power can be diluted with water for most cleaning jobs. The dilution rate depends on the job but can be as little as 1 oz per gallon for walls and fixtures and as strong as 16 to 32 oz. per gallon of water for shower stalls and really greasy floors.

**NOTE:** This product may be harmful to some types of plastic. Pre-test on a small area before using.

**MULTI-USE, BIODEGRADABLE, SAVES TIME & LABOR**
