

PRONTO

DEGREASER

PRONTO is a superior water-based degreaser. This product is highly efficient in the removal of organic soils such as grease, oil and pigments. It provides excellent cleaning performance on vehicles, engines and in metal working applications.

PRONTO is formulated with new, biodegradable, environmentally friendly surfactants and contains no solvents, caustics, or acids.

PRONTO can be used with both high pressure and low pressure cleaning equipment.

PRONTO is concentrated and can be diluted to work on motor blocks, concrete floors, for washing trucks and machinery and for cleaning painted walls and fixtures.

PRONTO is safer for the environment, less harmful to personnel and less flammable than solvent based degreasers.

TECHNICAL DATA

| | |
|-------------------|-------------------|
| Physical state | Liquid |
| Color | Yellow |
| Flash Point | >100°C |
| Biodegradable | Yes |
| PH of 1% Solution | 7.0 |
| Effective | Hard & Soft Water |
| Fragrance | Mild |
| Specific Gravity | NA |
