

## **SPEE DEE CLEAN**

*HEAVY DUTY CONCENTRATED DEGREASER*

Spee Dee Clean removes carbon, grease, and dirt from floors, parts and hard surfaces. Spee Dee Clean works great on greasy concrete floors, and in restaurant kitchens where grease and carbon buildup can be a problem. Stacks, stainless steel parts, counters, and floors come clean in a jiffy with Spee Dee Clean.

This product has a high caustic content, so be sure to wear rubber gloves and safety glasses. Spee Dee Clean is highly concentrated and **MUST** be diluted prior to use. Be sure to read and follow the directions.
