**MANUFACTURING MAINTENANCE CHEMICALS  
WITH INTEGRITY FOR MORE THAN 100 YEARS**

# ABOUT

Verax Chemical Company has been manufacturing quality cleaning compounds since 1913. Our name comes from the Latin root *veritas*, which means honesty. We take that to heart in all aspects of our business. We're a family owned and operated company and we treat our customers as if they were part of our family.

*Loading product onto trucks at Verax circa 1924 in Seattle, Washington.*

We pride ourselves on manufacturing products that are effective, consistent, and environmentally friendly. All of our products are made to exact standards. We manufacture a wide array of products for the industrial, janitorial, food service, construction, and marine markets.

## CHALLENGE

### High Gloss Floor Finish - CHA\*

Challenge is a high gloss floor finish offering an outstanding balance of performance characteristics. It dries with exceptional gloss without buffing and has excellent wear properties, yet it responds beautifully to high speed burnishing for a deep, wet-look gloss. Challenge demonstrates excellent slip resistance and leveling as well as long-term durability. It is particularly outstanding in heavy traffic areas because of its superior resistance to scuffing, heel marking and dirt pickup. Can be used as a sealer.

## STRIPPSOL

### Extra Heavy Duty Stripper - STP

Strippsol is formulated to attack any kind of wax or water emulsion resin finish and is especially effective in stripping metal interlocked acrylic finishes. Particularly outstanding in the removal of heavy buildup along edges. Its unique wetting ability softens and emulsifies coat after coat of old and yellowed finish. Dilute 1:3 for removing acrylic urethanes, 1:10 to 1:16 for regular build-up of metal interlocked acrylic finishes.

## NEW ERA

### Carpet Extraction Detergent - NEE

New Era is a superior carpet extraction detergent composed of grease cutting detergents, solvents, optical brighteners, and chelates. It effectively removes difficult soils from carpets and upholstery, leaving behind the renewed, restored color of the fabric. Unlike many carpet care products, New Era dries to a dry friable powder which does not attract or trap new dirt particles to dull the clean fabric. Dilute 1:64.

## RUG & UPHOLSTERY SHAMPOO

### Dry Foam Shampoo - RUS

Rug & Upholstery Shampoo is a dry foam shampoo for hand or rotary shampooing carpets and all washable fabrics. Has high foaming and cleaning power - does not wet out carpet backing. Dries to a solid crystalline powder and does not leave sticky residues. Optical brighteners enhance carpet color. Dilute 1:16 to 1:32.

\* Due to VOC regulations, not available for sale in CA, NH, UT.

# AEROSOL LUBRICANTS

## SLICK 13oz

### Food Grade Silicone Spray - 1660

Slick is superior silicone based lubricant for use on food processing equipment. Prevents waxes, adhesives, and glues from collecting and jamming equipment. Safe on plastics. Contains no chlorinated solvents. NSF registered H1.

## LFG-100 16oz

### Food Grade Lubricant - 1350

A lubricant made up of USP liquid petrolatum and propellant, providing a sanitary means of lubricating dairy and food processing equipment. Resists water washout and has an operating range of 0°F to 300°F. Use on slides, bearings, pistons and rings, belts, etc. Non-toxic, odorless, and tasteless. Contains no silicone. Meets NSF H1 requirements.

## DM-7 16oz

### Moisture Displacer and Penetrant - 1260\*

DM-7 is formulated to give excellent lubrication, corrosion prevention and cleaning of all metal parts. Can be applied to wet or dry surfaces. Never becomes dry, hard, or brittle. Formula is nonflammable and nonconductive to 29,000 volts. Cleans, lubricates, penetrates and prevents rust for true four-way action. Leaves a lasting protection against rust by leaving a clear, invisible, molecular film. Use on industrial machinery, motors, spark plugs, control terminals, electrical equipment, vehicles, and oil rigs. Meets NSF H2 requirements.

## HD SANITARY LUBE 12oz

### Food Grade Lubricant - 1370\*

HD Sanitary Lube is a long lasting, foaming multi-purpose food grade lubricant. Thick foaming action keeps lubricant on target, allowing it to penetrate stuck parts. Protects metal finish from rust and corrosion. Meets NSF H1 requirements.

## DYNA BUSTER® 16oz

### Penetrating Oil and Release Agent - 1220\*\*

Dyna Buster quickly penetrates rust and corrosion to release stuck nuts and bolts. Displaces moisture and leaves a protective film on nuts and bolts. Excellent for salt water corrosion. 360° any-way spray valve makes any location reachable. Eliminates breakage from frozen parts.

## TCL 13oz

### PTFE Clear Lube - 1830

TCL is a tough, durable, clear lubricant that is sprayed as a thin penetrant and transforms to a clear grease. High adhesive and cohesive strength. Lasts longer than conventional lubricants. Resists water washout. Effective from -30°F to 600°F. "TCL stays when others don't!" Use on hinges, open gears, wire ropes, cables, conveyors, manifold heat vents, and more. Meets NSF H2 requirements.

\* Due to VOC regulations, not available for sale in CA.
