

# AC'TIV

## NEUTRAL CLEANER

PART NO.  
ACT-#

- GRANITE
- MARBLE
- HARDWOOD FLOORS
- ENHANCED W/OPTICAL BRIGHTENERS
- SURFACE SAFE

AC'TIV quickly penetrates and lifts oil, grease, dirt, and other soils from hard surfaces. Leaves surfaces clean and bright with no spots, streaks or scum. Leaves floors film-free without rinsing - ready to be buffed when dry. Safe and effective on finished hardwood floors, vinyl, linoleum, tile, granite, marble, and more.

- Office Buildings
- Showrooms

Excellent for use on:

- Hardwood Floors
- Engineered Wood Floors
- Granite
- Marble
- Vinyl
- Linoleum
- Tile
- Counters
- Cabinets
- Painted Walls

### DIRECTIONS

Use with hot or cold water and apply by spraying, mopping, or brushing. Dilute according to the degree of soil encountered.

#### General Floor Maintenance

Use 1 oz. per gallon of water. Ac'tiv leaves floor film-free without rinsing - ready to be buffed when the floor is dry.

#### Moderately Soiled Floors

Use 1-1/2 - 3 oz. per gallon of water.

#### Exceptionally Soiled Surfaces

Use 2 - 4 oz. in hot water and allow solution to remain in contact longer. Agitate with a brush or nylon scrub pad if needed. Rinse surface well.

#### Painted Walls or Fixtures

Use 1 - 3 oz. per gallon of water depending on amount of soil encountered. Thoroughly rinse the area cleaned before proceeding to the next area.
