

# GREEN HORNET

MULTI-PURPOSE CLEANER & DEGREASER

PART NO.  
GRH-#

- HEAVY DUTY
- CONTAINS CORROSION INHIBITORS
- CONCENTRATE
- VOC COMPLIANT

GREEN HORNET is a versatile degreaser made up of a complex package of surfacants, butyl, and caustics. Designed to be strong enough for everyday degreasing tasks without risking the safety of users or equipment. Removes grease, oil, scum, and dirt from engines, paint, interiors, equipment, and more.

|                     |  |
|---------------------|--|
| Available Sizes:    | 1 Gallon (4 / CS)<br>5 Gallon Pail<br>55 Gallon Drum |
| Color:              | Green  |
| Fragrance:          | Lemon Butyl  |
| State Restrictions: | None / VOC Compliant                                 |
| Dilution:           | 1 - 10oz / GAL                                       |
| Biodegradable:      | Yes  |
| Shelf Life:         | Long   |
| DOT Hazmat:         | UN3266   |

## APPLICATIONS

Used regularly in the following areas:

- Detail & Body Shops
- Car Dealers
- Truck Washers
- Fleet Maintenance
- Equipment Dealers
- Fire Stations
- Municipalities
- Construction Companies

Excellent for use on:

- Grease
- Synthetic Oils
- Carbon Build-up
- Wax
- Grime
- Upholstery Stains
- Shop Floors
- Engine Bays

## DIRECTIONS

Use with hot or cold water and apply by spraying, mopping, brushing or immersion. Dilute according to the degree of soil encountered.

Before cleaning painted surfaces, check a small area for paint breakdown. Use with caution in direct sunlight or on hot surfaces. Use with caution on aluminum surfaces. Rinse promptly.
